DO YOU LIKE A CHALLENGE?

- 1) Compare the employment rates between two different sectors. What do you think accounts for the differences in these rates?
- 2) Based on the data presented, which industries do you predict will experience the highest demand for workers in the next decade? Why?
- 3) How might technological advancements impact the sectors shown in the LMI poster?
- 4) Which industry or job role aligns most with your career aspirations and why?
- 5) Think about what you love to do. Which company on the poster would have the perfect job for you in the future? What would your job title be and what do you think your daily tasks could involve?
