# What to do before and on the day

## What to do before the day

- At any point before you graduation ceremony please update us if your contact details have changed by emailing [graduation@mbro.ac.uk](mailto:graduation@mbro.ac.uk) This includes any changes to your email address, telephone and/or home address.
- Register with Ede & Ravenscroft, book your academic dress and your guest tickets.
- Please inform us if your guests have accessibility requirements. You can do this by emailing us at [graduation@mbro.ac.uk](mailto:graduation@mbro.ac.uk)
- Please also inform the Graduation Team of any dietary requirements.
- If required, make travel and accommodation arrangements for your guests in good time.

## What should I do before the ceremony on the day?

- We advise you to arrive at least 1 hour and 45 minutes prior to the ceremony. Late arrival will mean that we will have to remove your name from the list of graduands before the ceremony begins and you will not be able to take your place with your fellow students.

- On arrival, head to the Town Hall and make sure you have signed in at our welcome desk. Please ensure you have your student ID or a form of ID with you for check in at our welcome desk.
- Please bring confirmation of guest tickets and gown order to the Town Hall.
- You will collect your gown from the Dance Hall located within Middlesbrough Town Hall. Please note that you will need to bring a form of photo ID with you such as your student card, driving licence or passport in order to collect your gown.
- You may choose to have professional photos taken to remember your special day. The photographic service will be available at the Restored Fire Station located within Middlesbrough Town Hall before and after the ceremony until 2:45pm. You can pre-book this service online when purchasing your gowns and tickets or you can purchase this on the day.
- Please leave your belongings with your guests.

## What happens during the ceremony?

- **Please note** that graduands sit in a different area to their guests and must sit in the seat indicated on their seating card. This will be given to you at the Registration Desk. All graduands will be allocated a seat according to their surname and the award they are receiving. The seating plan is designed to ensure that you cross the stage in the correct order, so you must sit in the seat that has been allocated to you. Please do not change seats with anyone or sit anywhere else or you will not have the necessary information so that we can announce you when you cross the stage.
- You will be given your seat number at registration. On your seat at the Ceremony there will be a seating card. You must bring your seating card up to the stage when it is your turn to graduate. Please hand your card to the speaker. Please leave your belongings with your guests.
- Stand when the procession music starts and the academic procession enters the main hall and takes their seats on the stage.
- At the appropriate time, you will be directed onto the stage where your award will be conferred. Remember to take the card from your seat with you and hand it to the speaker. Once you have crossed the stage, you will then be directed by College staff back to your seat. The ceremony is approximately 1 hour.

## What happens after the ceremony?

- Graduates will join the academic procession.
- The stewards will direct graduates to join the procession when appropriate. You will proceed down the centre aisle and out through the door where you should wait for your guests to join you.
- Guests should remain in their seats until directed to leave.
- You and your guests are then invited to join us at the end of your ceremony for light refreshments in The Crypt located within Middlesbrough Town Hall. Please let us know in advance if you or any of your guests have any dietary requirements. You can indicate this to us on your registration form via Ede & Ravenscroft or by contacting us directly at: [graduation@mbro.ac.uk](mailto:graduation@mbro.ac.uk)

# Etiquette

Graduation ceremonies are formal celebrations, so you may find the following guidelines helpful.

## **Graduands**

You are a graduand before the ceremony and a graduate when you are conferred.

You will have a specific seat that you need to sit in for the ceremony. You will be able to leave coats, bags and other personal belongings on your designated seat.

Please note that under no circumstances may a child be permitted to cross the stage with a graduating parent or family member. Please make arrangements for one of your guests to look after your child while you are graduating.

Check that your mobile phone has been turned off or turned to silent.

No refreshments are to be consumed during the ceremony.

## **Guests**

To avoid obstructing the view for other guests, members of the audience may take photographs but only from a seated position. Please do not use flash photography or selfie sticks.

No refreshments are to be consumed during the ceremony.

Check that your mobile phone has been turned off or turned to silent.

We welcome applause and cheers when graduands cross the stage.

If you arrive late, please be aware that you will not be able to enter the main hall during the ceremony.

## **Children**

Graduation ceremonies are formal occasions, and our ceremony will last approximately 1 hour. We understand that families want to celebrate with their children. However we do ask that children do not use electronic devices during the ceremony and children sit in their own seat. Children will need to be in possession of a ticket to attend. We also advise sitting close to an aisle in case your child becomes restless, and they need to be taken outside. We are unable to provide childcare facilities at the ceremony. We appreciate your co-operation in this matter.
