

Health & Social Care Showcase

Part of Middlesbrough College

TAKING  HIGHER

Reform Information

Just so you are aware, the government are making changes to some of the qualifications that Colleges offer.

This is to help make it simpler to pick a course that matches your future job or university plans, by replacing older courses with a smaller number of options.

We are introducing new qualifications under the guidance of the Government. Meaning we might have some new courses added later in the year. Don't worry though, we will keep you updated and you can choose what you do at enrolment!

If you receive a conditional offer from us for a course areas and we change the qualification type, we will let you know but your offer will still remain with us.

Entry Requirements

Level	Entry Requirements	GCSE Resits
Level 1	At least three GCSEs at Grade 1 or above.	Learners who have not achieved Grade 4 or above in GCSE English language and/or maths will have these subjects added to their timetable.
Level 2	At least four GCSEs at Grade 2 or above, including English language and maths.	
Level 3	At least five GCSEs at Grade 4 or above, including English language and maths.	
T Level	At least five GCSEs at Grade 4 or above, including English language, maths and science	

Entry requirements can be found on our website and are subject to change without prior notice so please review these before coming to enrol.

Social Care

Part of Middlesbrough College

TAKING  HIGHER

Level 1

Intro to Health & Social Care

What will I study?

- Service Provision and Roles
- Principles and Values
- Protection and Safeguarding
- Communication
- Equality and Inclusion
- Health and Safety
- Person-Centred Support
- Human Growth and Development
- Mental Health
- Health Eating and Drinking
- Working with Others
- Job Opportunities
- Children and Young People's Development

How will I be assessed?

This is all assessed through assignments.

What can I do next?

You can progress on to the Level 2 Health and Social Care or Early Years Education.

This course will also allow you to progress into entry level employment or an apprenticeship in the care sectors.

Good to know

This program aims to provide learners with the key knowledge, skills and behaviours to begin their journey in Care Services.

Level 2

Occupational Pathway in Social Care

What will I study?

- Introduction to working within the social sector
- Sector requirements and legislation
- Types of impairment and physical disabilities
- What is a service user and working in service users home
- Understanding academic rigor and layouts when developing assignments or essays

How will I be assessed?

You will be assessed through knowledge assessments, simulated observations, discussions, multi-disciplinary meetings, reflective practice, placement logbook and a portfolio.

What can I do next?

You can:

- Progress onto the Level 3 Technical Occupational Entry in Social Care
- Seek employment in the care sector
- Progress to an apprenticeship

Good to know

Occupational Pathway in Social Care is designed to equip learners with the skills, knowledge and behaviours to be work ready as well as academically ready to meet the demands of Level 3.

Level 3 – Technical Occupational Entry in Health & Social Care

What will I study?

- Working in Health and Social Care
- Anatomy and Physiology
- Enquiries into Current Research
- Meeting Individual Care and Support Needs
- Work Experience
- Principles of Safe Practice
- Infection Prevention and Control

How will I be assessed?

You will be assessed through a range of methods including synoptic assessments and internal assignments.

You will be required to carry out a minimum of 100 hours of work experience as part of your qualification.

What can I do next?

You can:

- Progress on to a higher level apprenticeship
- Higher education through university
- Go into employment.

Nursing & Midwifery

Part of Middlesbrough College

TAKING  HIGHER

Level 1

Stepping into Nursing & Midwifery

What will I study?

- Health – introduction to healthcare, communication, safeguarding and professional behaviours.
- Science – build your understanding of key biology, anatomy and psychology concepts.
- Practical skills – develop confidence through practical health and clinical activities.

How will I be assessed?

You will be assessed through practical activities, coursework, assignments and knowledge checks.

What can I do next?

You can progress onto the T Level Foundation in Health.

Once completed, you can then progress onto T Level in Health.

Good to know

Health and Social Care students have access to a realistic on-site health and care ward that replicates a hospital environment. Courses are delivered by health and care professionals from a wide range of backgrounds.

T Level Health (Supporting Adult Nursing)

What will I study?

- Working within the health and science sector
- Managing information and data
- Principles of good scientific and clinical practice
- Core science concepts including the structure of cells, tissues and large molecules, genetics, microbiology and immunology
- Providing person-centred care
- Further knowledge of both human anatomy and physiology and of diseases and disorders

What can I do next?

You can progress to:

- Higher education at University
- Higher level apprenticeship
- Go straight into employment.

How will I be assessed?

You'll be assessed through a case study, seven practical exams in clinical skills, and a professional discussion reflecting on your learning and development.

Good to know

Industry Placement – Gain valuable experience across a range of healthcare settings through:

- **3-week block** – James Cook University Hospital
- **3-week project** – Tees, Esk and Wear Valleys NHS Foundation Trust (TEWV)
- **3-week block** – Private care setting, such as a care home

just a one-off £10 fee!

FREE* college meals
**If you currently receive free school
meals, this could continue at college.*

Conditional Offers

Conditions of your offer include:

- **Getting the grades you need for your course/subjects**

Entry requirements can be found on our website and are subject to change without prior notice so please review these before coming to enrol.

- **Approval from our Learning Support or Safeguarding Teams (if required)**

Some extra checks may still need to be completed behind the scenes – but, if anything changes regarding your application, they will contact you directly.

- **Fully enrol during our Main Enrolment period (19th and 27th August)**

19th – 23rd August is used for priority enrolment appointments, so please make sure you are available on these dates as a minimum, but we advise not being away for main enrolment.

- **Places on your course being available at Enrolment**

Even if you've got an offer, your place on the course isn't confirmed until you enrol. Some courses fill up fast – especially in the first few days of enrolment!

Additional Learning Support

Our friendly teams can help you with your learning.

If you have declared an EHCP:

We might pause your application while The SEN Team speak to your local council to check your plan.

We may also contact you to book an appointment with one of our ALS team leaders.

Do you have SEN support at school?

Ask your school SENCo to share it with us so we can plan the right support for you.

Other support?

The Cube Team will help you with things like exam support (extra time, readers etc), dyslexia checks, tutoring, and study skills. This can all be sorted when you start with us!

For any support queries, contact: sen@mbro.ac.uk

Enrolment

Enrolment (19th – 27th August)

Enrolment is by **appointment only** and is based on offer date/status per application. It is important that you attend your priority enrolment appointment for the best chance of securing your place.

We strongly recommend not going on holiday during our main Enrolment period. Details will be sent during the summer via email and letter.

Enrolment must be **completed in person by the student**, as we do not offer alternative enrolment options.

Important Dates

Please make a note of these dates, and avoid booking holidays on them:

- 19th August: GCSE Results Day
- 19th – 27th August: Main Enrolment

Next Steps

What happens next?

We will confirm your conditional offer within 10 working days via email and letter

In some cases, extra checks may need to be completed first with our ALS/Safeguarding team which can delay this.

Your next steps – via the applicant page:

- Review the Showcase presentation and find other useful information
- Accept your conditional place
- Book a place on the taster sessions (optional)
- Onsite enrolment (19th – 27th August)

Scan the QR code, or use the link in your offer email and letter to access the applicant page
