Student Disciplinary Policy and Procedures

Introduction

Middlesbrough College aims to provide an environment where there are no barriers to student success and progression. If a student’s behaviour prevents others from feeling safe, secure, respected and able to learn effectively, this may result in disciplinary action.

The purpose of this policy is to ensure that all instances of student misconduct are dealt with fairly and consistently.

This policy sets out the College’s position on acceptable behaviours in the College community. The purpose of this policy is to detail the procedure to be followed if a student is in breach of the College’s behaviour standards, values or health and safety regulations.

The College expects high standards of behaviour from its students and any breach of the expected standards will be considered misconduct. It is not possible to define every form of behaviour which will result in disciplinary action, nor has an attempt been made to do so.

It is also not possible to define every type of action that may be taken in each circumstance. Each case will be judged by the College in the light of the circumstances and evidence available.

The examples given in this document are designed to give an indication of the actions, which may result in disciplinary proceedings being followed. Omissions in terms of examples are not in themselves ground for appeal.

This document is available to students and parents / carers so it is assumed that they are aware of all the details of the Student Disciplinary Procedures.

Any form of disciplinary action may result in the Middlesbrough College Bursary being withheld, pending an appeal.

Scope

This policy applies to all enrolled students and covers misconduct alleged to have occurred on the College’s premises or any other activity carried out as part of a student’s course. This includes work related activities, educational visits and the use of ICT including e-safety, which may occur on or off the College’s premises.

Students aged 14-16 who attend the College are expected to follow the College’s disciplinary policy but misconduct will be dealt with by their school and or / local authority.
Stages of the Disciplinary Policy

A Pre-Disciplinary Attendance Action Plan should be issued when initial attendance concerns are identified.

There are four stages to the Disciplinary Policy:

- Stage 1 (Verbal Warning)
- Stage 2 (Written Warning)
- Stage 3 (Final Written Warning)
- Stage 4 (Formal Disciplinary Hearing)

Where the matter is deemed to be **Gross Misconduct**, the procedure is followed from Stage 4.

**Disciplinary Actions**

For Stage 1, the Lecturer and/or Personal Tutor may apply any or any combination of the following actions to resolve the misconduct.

In all cases, the action agreed should be recorded and all disciplinary paperwork should be uploaded to the student’s ProMonitor record.

All agreed action(s) should be signed by the student.

A copy of the agreed action will be provided for the student and a copy sent to the student’s parent / carer.
The following are examples of agreed action:

- Devise a list of conditions whereby the student is able to remain at the College.
- Devise a review schedule which may include lecturers' comments and contact with parent(s) / guardian(s) / advocate(s) or representative(s).
- Any other action they feel to be appropriate to the circumstances.
**Stage 1 - Verbal Warning (Stage 1 Paperwork - Appendix 2)**

**First Act of Misconduct**

The Personal Tutor will see the student and follow the disciplinary actions outlined above. The Personal Tutor will then record the disciplinary action agreed in writing. Both parties will sign and the document will be kept in the student's personal file and uploaded to ProMonitor.

The Personal Tutor will monitor the agreement and if the student fails to fulfil the conditions, the Personal Tutor will refer to **Stage 2**.

The discipline will be recorded on ProMonitor and the relevant paperwork uploaded by the Directorate Administration Team.

This written agreement will expire after twelve months from the date of the incident, providing no further acts of misconduct have taken place.

**Stage 2 - Written Warning (Stage 2 Paperwork - Appendix 3)**

- Failure to meet agreed disciplinary actions.
- Second act of misconduct.
- Attendance/punctuality or academic target issues.

All students who have an unacceptable pattern of attendance or punctuality, and/or fail to meet set academic targets without adequate explanation will move straight to **Stage 2** of the Student Disciplinary Procedure.

- The Tutor informs the Personal Tutor, Directorate Administrator and Assistant Principal Curriculum/Director of Programme of the incident and decides on level of warning.

- The Directorate Administrator contacts the student’s parents or guardian, by phone and letter, and invites them to a meeting with the Assistant Principal Curriculum/Director of Programme.

- Parents and Assistant Principal Curriculum/Director of Programme meet. Incident is discussed. Stage 2 is issued. An action plan for the student is produced. Documents uploaded to ProMonitor discipline page and ProMonitor uploaded documents page.

- Continued incidents would cause a Stage 3 Final Warning to be issued
Stage 3 - Final Written Warning (Stage 3 paperwork - Appendix 4)

- Failure to meet agreed disciplinary actions.
- Serious act of misconduct
- Third act of misconduct.

The parent(s) / guardian(s) / advocate(s) or representative(s) will be contacted by phone and letter, to invite them into College to resolve the situation with the Assistant Principal Curriculum/Director of Programme who will agree the disciplinary action(s) with the student and his / her parent(s) / guardian(s) / advocate(s) or representative(s). This will be recorded in writing, signed by the student and the Assistant Principal/Director of Programme and placed in the student's file for a period of 12 months from the date of incident.

A copy of the agreed action(s) will be provided for the student.

If agreed actions are not adhered to, the student will automatically proceed to Stage 4 of the Student Disciplinary Procedure.

The discipline will be recorded on ProMonitor and the relevant paperwork uploaded by Directorate Administrator.

Stage 4 - Formal Disciplinary Hearing (Appendix 5)

If the student fails to meet the agreed conditions from Stage 3 or in the case of Gross Misconduct, the Assistant Principal/Director of Programme can suspend a learner from College pending a thorough investigation. In all cases of suspension, the Assistant Principal/Director of Programme will complete the Student Suspension Form available on the L Drive, (Appendix 5) and send through to the Vice Principal - Staff & Students.

If the student is under 18 years of age, their parents/guardian will be telephoned to inform them that their child is to be suspended from College with immediate effect. The parents will be asked to arrange for someone to come and collect their child or give permission for them to travel home on their own. If the College cannot access a member of their family, then they will stay on-site until the end of their normal timetabled day.

The student will be informed by the Vice Principal, in writing, of the reasons for the temporary suspension for a period of up to 10 working days to allow a thorough investigation to take place and to establish a date for a formal Disciplinary Hearing.

The Assistant Principal Curriculum/Director of Programme will ensure that the evidence for each stage of the Student Disciplinary Procedure is clearly documented so that a case can be prepared.
Gross Misconduct may include the following but this is not an exhaustive list:

- The use of violence or the threat of violence towards any member of the College Community.
- Carrying or having possession of an offensive weapon.
- Bullying or harassment of a member of the College community.
- Behaviour which is racially or sexually offensive, homophobic or which is offensive to those with learning difficulties or disabilities.
- Conduct which puts at risk the health and safety of the student in question, that of other students and staff.
- Theft or willful, substantial damage of College property including property belonging to a member of the College community.
- Gross Misconduct as described in the IT Acceptable Use Policy.
- Fraudulent claims in relation to finance paperwork.
- Carrying or misuse of a substance including alcohol, drugs, solvents, prescription drugs not prescribed for the user or other illegal / legal damaging substances, in/on and around the College. This can result in a referral for external agency support.
- Supply of drugs in and around the College premises.

If a student fails to meet the conditions and agreed actions from a Stage 3 Disciplinary (Final Written Warning), this can also result in the student progressing to a Stage 4 Disciplinary. This can be for attendance / punctuality and academic target issues. Students will not usually be suspended from College for issues relating to attendance / punctuality and academic targets.

Notification of the time, date and location of the Disciplinary Hearing will be communicated to the student by the Chair of the Disciplinary Panel within ten working days. Copies of all paperwork and case notes will be sent to all parties a minimum of five working days prior to the agreed Disciplinary Hearing taking place.

There is a right of appeal at Stage 4 of the Student Disciplinary Procedure as detailed in Appendix 7.
Immediate Exclusion

If the matter is deemed to cause a serious threat to students or staff within the College, then the Principal, in conjunction with the Designated Safeguarding Lead, reserves the right to immediately exclude the student without cause for a panel hearing or appeal.

If the student is under 18 years of age, their parents/guardian will be telephoned to inform them that their son / daughter is to be suspended from College with immediate effect.

The parents will be asked to arrange for someone to come and collect their child or advised that their son / daughter will be leaving the College and making their way home.

If this action is taken, the police will be informed of the incident and the person will be issued with an exclusion notice. This will prevent the person from coming within stated College boundaries. Entering these boundaries will be deemed to be an act of trespass.

(Appendix 9)

If a person, who is not a student, is deemed to be a threat to the students or staff of Middlesbrough College, they will be issued with an exclusion notice. This will indicate an exclusion zone which they are not allowed to enter as this will be taken as trespass and the police may be informed.

(Appendix 10)
Supported Entry

There are some prospective students who apply or enrol to the College with personal circumstances which could restrict a successful outcome on their chosen course.

These circumstances may include, among other things:

- Previous exclusion from school.
- Poor school / education history including inadequate attendance or serious disruptive behaviour.
- Unsuccessful taster / induction and / or extensive concerns about suitability arising at interview.
- Students who have had attendance or classroom disruption concerns, within Middlesbrough College, from a previous year.
- High risk students who are vulnerable.

For many such students, their chosen College course may not be the right pathway at this time and such a prospective student may be directed to another course / area or be given further guidance about the best course of action open to them. For other applicants the opportunity to access their chosen course may be available with Supported Entry. This would provide an enhanced level of support, as well as closer monitoring and emphasis on them taking responsibility for their behaviour and learning.

These applicants may be granted ‘Supported Entry’ and will be asked to agree to and sign a ‘Supported Entry Contract’ in addition to a Learning Contract prior to enrolling on their course or within the first six weeks of a course starting.

Process

- Such prospective students should attend an interview with the Assistant Principal Curriculum/Director of Programme, Personal Tutor and the Safeguarding and Welfare Officer (SWO) for that area, within the first week/s of the course.
- A meeting with the appropriate Assistant Principal Curriculum/Director of Programme, Personal Tutor and parent/guardian to clarify the rights and responsibilities of Supported Entry prior to enrolment.
- Three or more reviews of progress as follows:
  - It may be necessary for monthly monitoring meetings with the Assistant
Principal Curriculum/Director of Programme and Personal Tutor.

- A regular meeting can be arranged with the Safeguarding and Welfare Officer.
- The Assistant Principal Curriculum/Director of Programme will make a decision when to remove the ‘Supported Entry’ conditions.

These reviews will focus on the targets set out in the contract and the extent to which these are being met. These reviews should be documented and recorded on ProMonitor.

- The Directorate Administrator will monitor the attendance of each student weekly and provide feedback to the Personal Tutor through ProMonitor.

- If required, additional study support hours will be arranged and attended. This will help to develop time management and independent learning skills (or other skills as required).

- The student may be required to arrange a Careers appointment, prior to Week 6, to help the learner plan for their future.

- At a 6-week review (6 weeks from the start of the course), the Personal Tutor and the Assistant Principal Curriculum/Director of Programme, will decide whether the student has successfully fulfilled their part of the Supported Entry contract. If so, they will continue on their College course in the usual way, be able to access additional support should it be required and be subject to the same rights and responsibilities as other students. It may be that close monitoring continues past 6 weeks.

- At any time, or at any of the planned meetings, the student has not successfully fulfilled their part of the Supported Entry contract they may face disciplinary action, up to and including possible withdrawal from their course.

(Supported Entry Contract Appendix 11)
Student Red / Blue / Yellow Warning Procedure

To enable the Safety and Building Services Team to support the College in controlling the behaviour of a minority group of students, a Yellow, Blue and Red Warning system has been developed to allow a fast response to unacceptable behaviour, in and around the College.

**Yellow Warning**

There are many reasons why a Yellow Warning may be given and the following examples are not exhaustive:

- Not showing respect to all members of the College community.
- Swearing, abusive language or unacceptable behaviour in or around the College Campus.
- Litter and spitting on the College Campus.
- Smoking in non-designated spaces

If a second Yellow warning is *issued within one calendar month*, this will trigger a **Stage 2 Warning** from the Assistant Principal Curriculum/Director of Programme.

Once a Yellow Warning has been issued, this will be recorded on ProSolution by the Student Services Support Officer and an email sent to the Assistant Principal Curriculum/Director of Programme and the Departmental Administrator to ensure this is uploaded onto ProMonitor and flagged to the Personal Tutor.

The Personal Tutor will arrange to meet with the student within 48hrs and record this meeting on ProMonitor.

On the Yellow Warning it will read “You are being reported to your Faculty / Directorate because of your behaviour”
Blue Warning

There are many reasons why a Blue warning may be given and the following examples are not exhaustive:

- Angry or threatening behaviour to students or staff.
- Student’s confrontation which is not violent.

A Blue Warning will only be issued in agreement with the Duty Manager / Incident Manager to indicate that a student has been involved in an incident at Middlesbrough College and requires a cooling off period of one full day.

The student must leave the premises and report to the Faculty / Directorate Admin Office after one full day off site.

If the student is under 18 years of age, the Duty Manager / Incident Manager will contact the parents / guardian to inform them that their son / daughter has been asked to leave the College for one full day. The parents will be asked to arrange for someone to come and collect their son / daughter or give permission for them to travel home on their own. If the student cannot access a member of their family, then they will stay on-site until the end of their normal timetabled day.

The Duty Manager / Incident Manager will communicate the student’s details to the Assistant Principal /Director of Programme who will take the necessary action after all the evidence of the incident has been gathered.

Once a Blue card has been issued, this will be recorded on ProSolution and an email will be sent to the Assistant Principal Curriculum/Director of Programme and the Administrator to ensure this is uploaded onto ProMonitor.

The Assistant Principal Curriculum/Director of Programme will arrange to meet with the student within 48 hours and take the necessary action after all evidence relating to the incident has been gathered. A Red card may then be issued at this time if the evidence gathered justifies this.

On the Blue Card it will read “You have been asked to leave the College site and report to your Faculty / Directorate Admin Office after one full day”
Red Warning

A Red Warning will only be issued in agreement with the Duty Manager by the Security Team to indicate that a student has been involved in an incident of serious misconduct whilst on Middlesbrough College premises.

Once a Red Warning has been issued, the student will be excluded from the College until a Stage 4 Disciplinary Hearing can be arranged.

If the student is under 18 years of age, the Duty Manager will contact the parents/guardian to inform them that their child is to be suspended from College with immediate effect. The parents will be asked to arrange for someone to come and collect their child or give permission for them to travel home on their own. If the student cannot access a member of their family, then they will stay on-site until the end of their normal timetabled day.

The Security staff member will then communicate the student’s details to the Assistant Principal Curriculum/Director of Programme who will invoke the Student Disciplinary Procedures, involving the Vice Principal – Staff & Students as necessary.

On the Red Card it will read “Do not come back on site until someone from the College has been in touch with you to arrange a disciplinary hearing”

There are occasions where students will be given a Red Warning rather than a Blue or Yellow Warning and the following examples are not exhaustive:

- The use of violence or the threat of violence towards any member of the College Community.
- Carrying or having possession of an offensive weapon.
- Bullying or harassment of a member of the College community.
- Behaviour which is racially or sexually offensive, homophobic or which is offensive to those with learning difficulties or disabilities.
- Conduct which puts at risk the health and safety of the student in question, that of other students and staff.
- Theft or willful, substantial damage of College property including property belonging to a member of the College community.
- Gross Misconduct as described in the IT Acceptable Use Policy.
- Fraudulent claims in relation to finance paperwork.
• Carrying or misuse of a substance including alcohol, drugs, solvents, prescription drugs not prescribed for the user or other illegal / legal damaging substances, in/on and around the College.

• Supply of drugs in and around the College premises.

• Under the influence of drugs/alcohol on the College premises.

If the student is under 18 years of age, their parents/guardian will be telephoned to inform them that their child is to be suspended from College with immediate effect. The parents will be asked to arrange for someone to come and collect their child or give permission for them to travel home on their own.

Where a safe way of sending the student home is not possible, the student will remain in a controlled environment on site, until the conclusion of their timetabled day.

Formal Procedures at the Disciplinary Hearing

The Disciplinary Panel will be chaired by the Vice Principal for Staff and Students. If she is unavailable, then a member of the College Management Team (CMT) (other than the Principal / Chief Executive) or the Designated Deputy Safeguarding Lead will chair.

The rest of the Disciplinary Panel will consist of two College Managers not previously involved with the case - Assistant Principals, Directors, Executive Directors / Head of Operations or Quality, or the Designated Deputy Safeguarding Lead.

The Disciplinary Panel must have three members to hear the Disciplinary.

Where the Assistant Principal/Director of Programme has been involved in investigating the issues at an earlier stage he/she will not be part of the Disciplinary Panel, but will present the evidence to the Disciplinary Panel.

The student has the right to be accompanied by a parent(s) / guardian(s) / advocate(s) or representative(s).

At the Disciplinary Panel

1. The Vice Principal for Staff & Students will outline the formal procedures and ensure the learner understands fully what will happen during the hearing.

2. The Assistant Principal/Director of Programme (or representative) will present the evidence, calling witnesses where appropriate.

3. The student and parent(s) / guardian(s) / advocate(s) or representative(s) will then be given the opportunity to formally respond to the case where specifically requested to do so by the Chair of the Disciplinary Panel.

4. All Disciplinary Panel members will be given the opportunity to ask questions or seek clarification.

5. Witnesses may be called by either party to support evidence.

6. The student and his / her parent(s) / guardian(s) / advocate(s) or representative(s) will then be asked to leave the meeting while the case is considered.
7. A written record of the Disciplinary Hearing must be kept.

8. Following the meeting, the student will be notified of the decision in writing and the right of appeal within 5 working days by the Chair of the Disciplinary Panel.

9. If the student fails to attend the Disciplinary Hearing, the Disciplinary Panel can choose to continue and come to a decision in the student’s absence. The student will be informed by letter of the decision made by the Chair of the Disciplinary Panel and given information about procedures for lodging an appeal.

At any point the Disciplinary Panel may wish to suspend the Disciplinary Hearing and invite the student to attend the Disciplinary Hearing at a future date - this will be at a mutually convenient date, time and location and be agreed within five working days of the adjournment.

The Disciplinary Panel must be reconvened with its original members.

Decisions open to the Disciplinary Panel are as follows:

**To exclude the student, the Disciplinary Panel may consider:**

- The offence to be of such severity that the student is excluded from the College with no leave to return.

- The offence merits exclusion from the College at that time but with leave to reapply to the College after a particular period of time as determined by the Disciplinary Panel. In this case the student would not be interviewed until the application is approved by a member of the Principalship not involved with the Disciplinary Hearing.

- The exclusion would include terms that would enable the learner to continue their studies from home or in college, away from any other students involved in the incident, with support from his/her tutors.

**To recommend the readmission of the student:**

- With certain criteria attached to the re-admission. An example contract is shown in Appendix 8.

There is a right of appeal at Stage 4 of the Student Disciplinary Procedure, as detailed in Appendix 7.
Appendix 6

Student Suspension Form

The form must be completed at the time of suspension and sent to the Vice Principal Staff & Students. Once signed, copies will be returned to Assistant Principal/Director of Programme.

Appeal

There is a right of appeal at Stage 4 of the Student Disciplinary Procedure.

A Stage 4 Appeal must be lodged in writing with the Executive Assistant / Head of Administration within five working days of the exclusion and a clear statement of the grounds for appeal must be included.

The date of the Appeal Hearing will be set by the Executive Assistant / Head of Administration within ten working days of the grounds for appeal being determined and approved. This will then allow all parties sufficient time to gather required evidence to support the Appeal Hearing.

The Principal / Chief Executive will hear the appeal.

Grounds for Appeal

- That there is new evidence available that was not available at the time of the original hearing.
- That there were procedural errors connected with the original Disciplinary Hearing.

The Executive Assistant / Head of Administration will decide if either of these grounds are applicable within five working days of the appeal being lodged.

The student has the right to bring along a parent(s) / guardian(s) / advocate(s) or representative(s) to ensure that the proceedings are fair.

The Appeals Committee will consist of the Principal / Chief Executive and two members of the College Management Team not previously involved. The Principal / Chief Executive will chair the Appeal Hearing.

The student and his / her parent(s) / guardian(s) / advocate(s) or representative(s) will present their case for appeal.

The case for the College will then be presented by the Vice Principal Staff & Students, with all parties in the room, if appropriate.

Witnesses can only be called if this relates to new evidence detailed in the Stage 4 Appeal Letter. Their names and written witness statements must be given to the Appeal Committee and circulated to all parties prior to the Appeal Hearing and at least five working days prior to the Appeal Hearing.

The Appeal Committee will review the case and the action recommended by the original Disciplinary Hearing.
The Appeal Committee's decision will be final.

The learner will be informed within 5 working days of the meeting by the Principal / Chief Executive. The Appeal Committee has the power to alter or overthrow the original decision or uphold it in its entirety.
