Governor Induction Programme

1 Purpose

The purpose of induction is to enable any new Governor / External Member to make an effective contribution to the work of the Governing Body at the earliest possible stage.

This Governor Induction Programme ensures that the Governor / External Member has the relevant knowledge and information available at an early stage, so that an active part can be played in the decision making process.

The Governor Induction Programme Form, as detailed in Appendix 1, is used by the Clerk to the Corporation as an aide memoire, and may not be kept on file once the Governor Induction Programme has been completed.

2 Disclosure Barring Service

As approved by the Governing Body at its meeting on the 31 March 2008 all new Governors / External Members will be subject to a Disclosure & Barring Check (DBS), with the exception of the Student Governors.

This will be undertaken once a recommendation to appoint has been made by the Search & Governance Committee, so that all checks are made prior to formal approval by the Governing Body, where possible.

Should checks not be completed prior to the appointment being made by the Governing Body, the Appointment Letter will state that any appointment is “subject to satisfactory checks being completed” and the Clerk to the Corporation will endeavor to complete these checks as soon as possible, whilst keeping the Chairman and Vice Chairman of Governors informed.
3 Content

Any new Governor / External Member will need to be given an understanding of

- The College.
- The Further Education sector.

4 Methods

- It is expected that new Governors / External Members will make themselves available to visit the College for one to two hours prior to first attending a meeting of the Governing Body, to discuss a broad range of issues relating to Middlesbrough College. Further follow up meetings will also be organised, where necessary.

- It is also expected that the Chairman of Governors may ask an experienced Governor to act as a Mentor during the first year of any new Governor / External Member's appointment.

- New Governors / External Members will be issued with key documents (see attached checklist).

- The Clerk to the Corporation will inform new Governors / External Members of any external training opportunities that might be appropriate, especially in the first year of appointment.
